

MASTER IN MANAGEMENT

GRANDE ECOLE PROGRAMME

ACCESS A WORLD OF OPPORTUNITIES

NEOMA
BUSINESS SCHOOL

REIMS • ROUEN • PARIS

Be passionate. Shape the future

OUR AMBITION

DELPHINE MANCEAU
Dean,
NEOMA Business School

“**Internationalisation and innovation are at the core of NEOMA strategy.**”

In a world changing profoundly, NEOMA Business School is determined to achieve its goals of accompanying the new generation of students on the road to their first jobs and their future positions, some of which have yet to be created, by passing on new perspectives, knowledge and sound practices. We provide them with the ability to create opportunity from uncertainty and help them to become pertinent and responsible managers who are aware of their social and societal role.

With 72% of international professors, more than 100 nationalities on our campuses and over 360 academic partners around the world, we provide our students with a stimulating learning environment, rich in cultural openness, ensuring their ability to adapt.

Openness, Entrepreneurship, Respect and Excellence are the School's core values.

Michel-Edouard Leclerc, the School's President, and myself are passionate about working wholeheartedly towards the achievement of this project. Our ambition is the success of our students and graduates, who are the architects of tomorrow's world. All the NEOMA Business School teams join me in welcoming you to our Master in Management programme!

IMEN MEJRI
Director,
Master in Management /
Grande Ecole programme

“**Our Master in Management is a game-changer for our students.**”

The programme not only addresses the new challenges of today's companies but also helps you understand the underlying changes of our societies, including of course the need for more sustainable business, the impact of data science and artificial intelligence. Thanks to dedicated seminars, numerous conferences and a wide portfolio of specialisations, you will be given the opportunity to build your expertise and grow your impact within organisations.

As the programme is profoundly international, you will have access to hundreds of immersion opportunities with our academic partners across the world. Diversity can also be experienced on campus with more than 60 nationalities represented among our student body.

The Master in Management programme relies on its experienced and gifted faculty, committed pedagogic teams and expert professional speakers, as well as its dynamic alumni network.

Our goal is to teach you skills that go beyond techniques in order to respond to the constantly changing needs of companies and to ensure that you have long-lasting employability. Innovation, collective intelligence and openness that complement a passionate outlook represent the winning triple focus of this programme. Welcome!

JOIN NEOMA BUSINESS SCHOOL

A track record of innovation for 150 years

NEOMA is a strong believer of the « test and learn » approach and has been innovating constantly over the years. « *What would we like to challenge? Ourselves, first of all!* », explains Delphine Manceau, Dean. « *But also our international approach, our teaching methods, our digital vision and the structure of our campuses.* Our objective is not simply to follow innovations, but to create them ».

150 years' combined experience of delivering academic excellence in higher education

3 state-of-the art campuses:
Reims, Rouen and Paris
+1 virtual campus

3 international accreditations

9,500 students - 100 different nationalities

International rankings:

30th Masters in Management worldwide
(2021 Financial Times ranking)

15th Masters in Management worldwide
(2021 The Economist ranking)

Academic excellence:

185 permanent professors

- A **global and cross-functional approach to business**, covering all aspect of management and providing you with a global view of company strategies and operations
- A **truly international exposure** with numerous study-abroad programs and a multi-cultural student cohort
- **Innovative teaching methods** to develop your leadership through interactive case-studies using immersive virtual reality, our virtual campus and providing you with strong support services (career counselling, etc.)

MASTER OF SCIENCE
« **GRADE DE MASTER** »

Learn to grow YOUR IMPACT

The Master in Management aims at transforming recent graduates into highly responsible, effective and successful decision-makers in global business. The core of this multidisciplinary approach allows the emergence of individual talents who think out of the box thanks to a 360° open-mindedness.

DEEPEN YOUR SKILLS

- **Gain an overall vision** of a company in order to understand how its different functions, combined together, enhance its performance
- **Develop expertise** in different areas such as finance, marketing, supply chain, strategy ...
- **Acquire a unique set of soft sills**, which are increasingly required for leadership responsibilities in challenging and evolving working environments.

BE PART OF A HIGHLY SELECTIVE AND WORLD-CLASS MASTER'S DEGREE

- **100% English** or in French & English
- **Expertise of a "Grande Ecole"** with a rich history and tradition
- **Strong network** of academic partners and alumni throughout the world
- **Broad range of possibilities** in terms of tracks, specialisations and career opportunities.

BENEFIT FROM CLOSE TIES WITH THE CORPORATE WORLD

- **Quality of our relationship** with major companies, consulting groups and international organisations as a part of NEOMA Business School's strategy
- Companies are **present throughout the curriculum** (courses, activities, live case, projects, conferences, guest speakers, internships etc.) and also with several events organised by the school (career fairs, careers advice sessions, ...)
- Cross-functional skills **to boost your employability** throughout your professional life and anywhere in the world.

LEARN HOW TO LEARN

- Benefit from an **experiential pedagogy** to acquire knowledge, skills, methods and tools that will give you the ability to keep learning throughout your life so that you can adapt to and succeed in any work environment.

CHOOSE YOUR OWN ACADEMIC JOURNEY

You can customise the programme according to your aspirations by choosing from the following options:

- Study abroad program or double degree
- Elective courses
- Specialisation in M2.

“

Sharang BHIDE,
MiM Graduate

My experience as a student within the NEOMA Master in Management programme is highly rewarding. It is great to study in one of the

top business schools in France. NEOMA offers an extensive learning opportunity, both theoretically and practically, in an international atmosphere. I would recommend joining NEOMA to transform your career and to be a future professional. ”

More than 30%
of our MiM alumni
work internationally
after their graduation!

Choose your own ACADEMIC JOURNEY

- Choose your campus
 - Reims
 - Rouen

Choose your programme length
 - 4 academic semesters in 2 years
 - 4 academic semesters + 2 company internships in 3 years

Choose to embark on a specialised track from Master Year 1 (M1)
 - General track
 - CFA® track
 - Financial Markets and Technologies
 - Consulting & Auditing (in french)

Choose your Master Year 2 (M2) specialisation
 - MSc internal double degree (see NEOMA portfolio of MSc programmes)
 - International Double Degree

CHOOSE YOUR PROGRAMME LENGTH

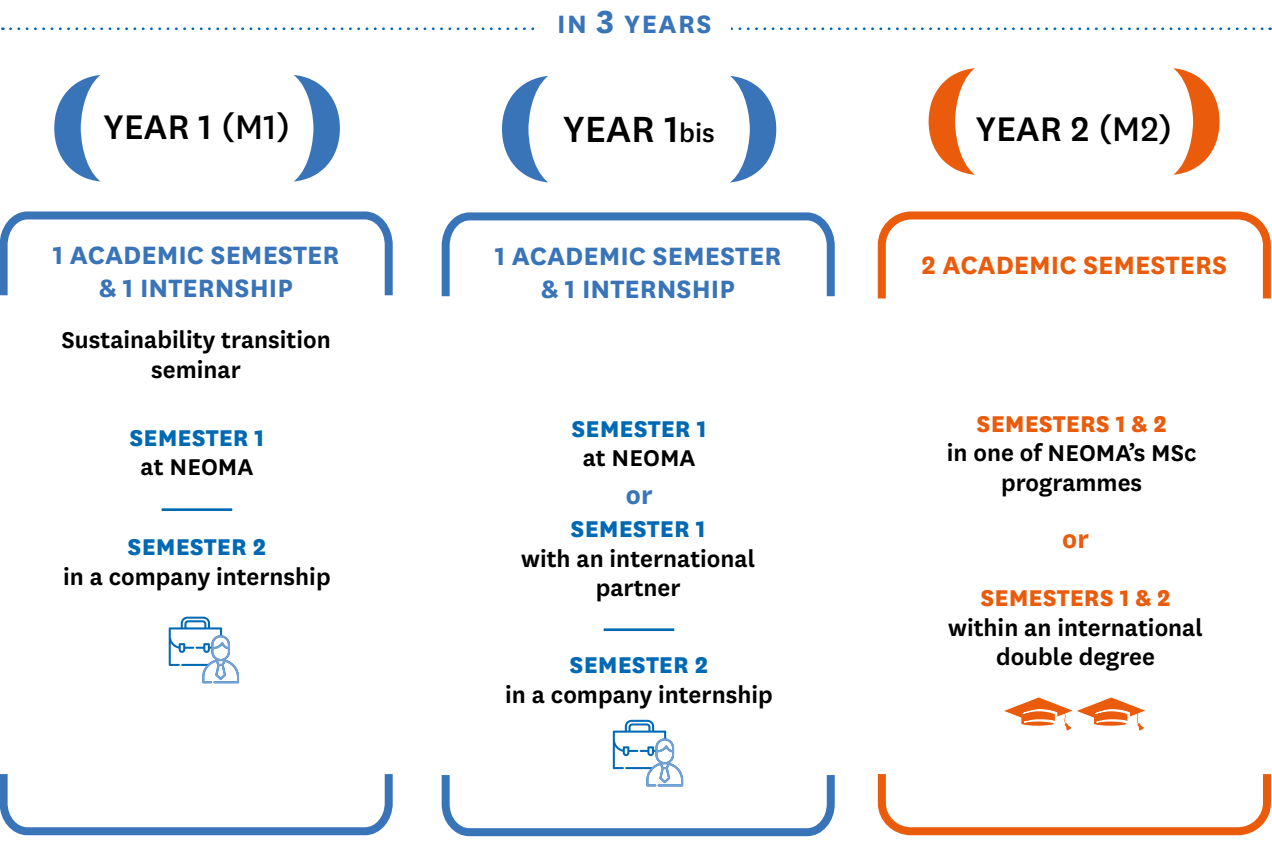

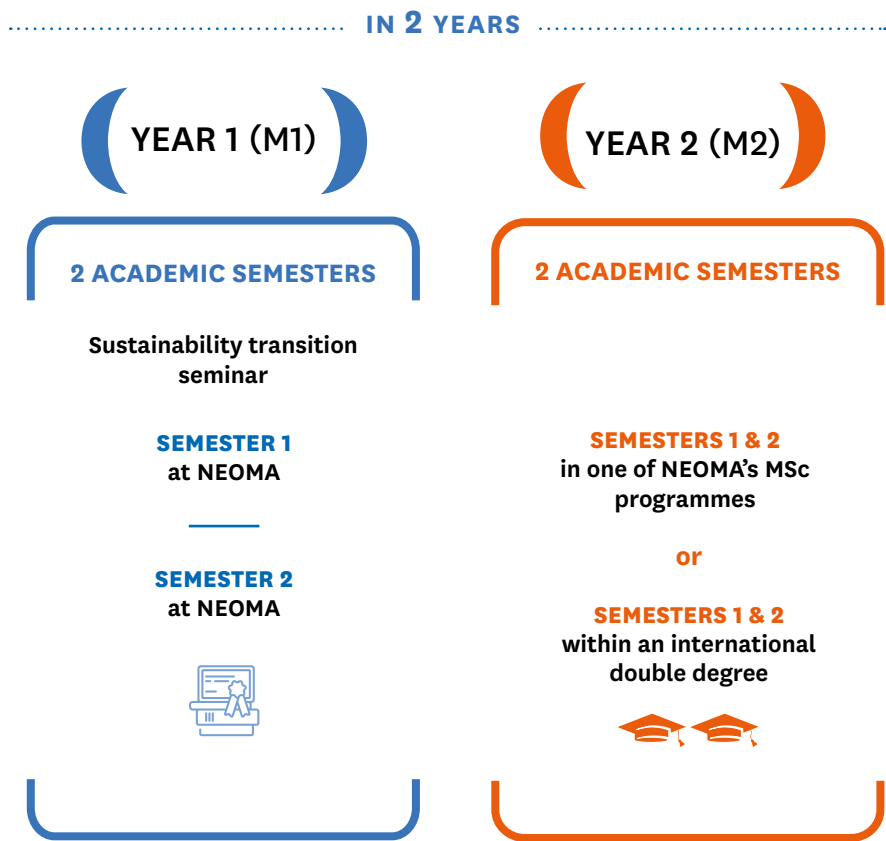

At NEOMA you can choose to follow the MiM program in either 2 years or 3 years. In both cases the programme consists of 4 academic semesters, but in the longer version you have the opportunity to complete 2 company internships to gain professional experience early in the program and choose your final year specialisation accordingly.

CHOOSE TO EMBARK ON A SPECIALISATION FROM M1

In M1, most students prefer to keep their options open and access a wide range of courses in different fields. But in case you already know the expertise you want to build, you have the possibility to join an expert track. You can prepare for the CFA (Chartered Financial Analyst), study Financial Markets and Technologies with GARP, or specialise in Auditing and Consulting (available in French only).

CHOOSE YOUR DOUBLE DEGREE IN MASTER 2 (M2)

In Year 2, you have access to a wide range of specialisations and double degrees. You can decide to stay at NEOMA and be awarded with one of our MSc degrees, or study abroad and get an international double degree with one of our academic partners.

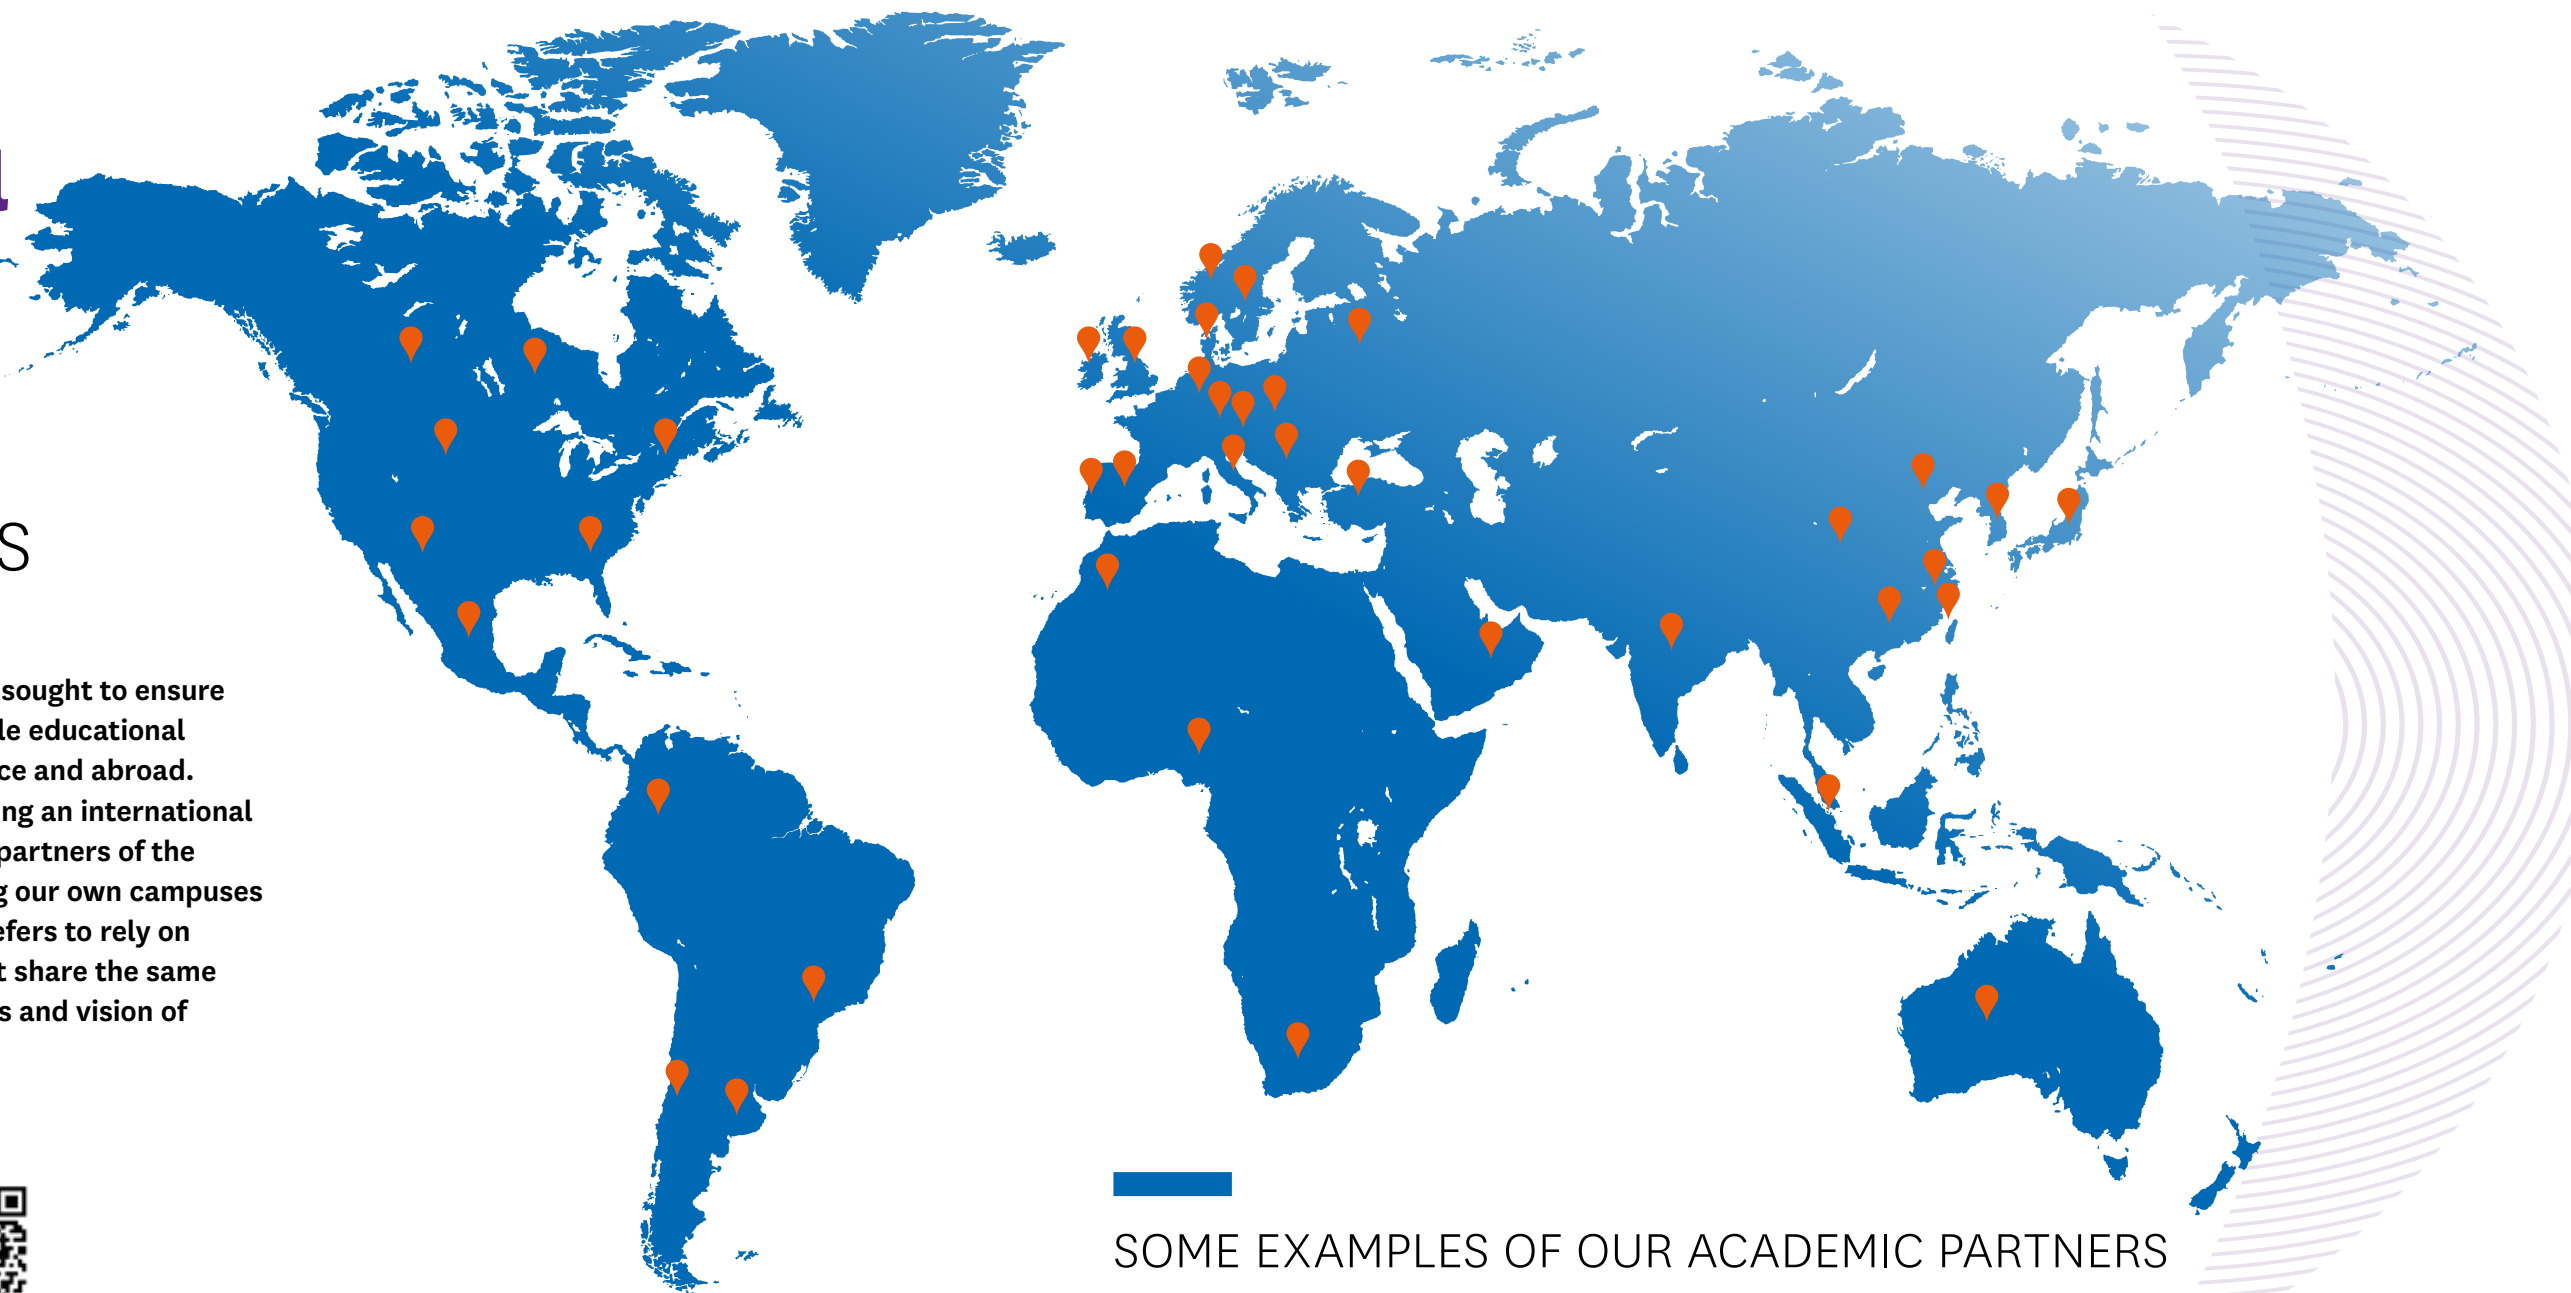

International Immersion Experience

TO BROADEN YOUR HORIZONS

NEOMA Business School has always sought to ensure its students receive the best possible educational experience, both on campus in France and abroad. We have chosen to do this by adopting an international strategy that sets out to work with partners of the highest quality. Rather than opening our own campuses abroad, NEOMA Business School prefers to rely on a strong network of institutions that share the same rigorous academic standards, values and vision of international immersion.

FINANCIAL MARKETS AND TECHNOLOGIES (Rouen Campus - in English)

The full time Risk and Financial Technologies excellence track brings important knowledge in risk management and essential technical & managerial skills in identifying risks and communicating effectively with stake holders.

The program trains students in the preparation of the internationally recognized **Financial Risk Manager Professional Certification (FRM®)** (Financial Risk Manager), supported by the first international professional association of the finance sector: the Global Association of Risk Professionals (GARP).

The goal of the program is to prepare students for a challenging and rewarding career in risk management: the science of risk measurement and the art of managing them.

This excellence track ends with the MSc Financial Markets and Technologies.

The advantage for you:

Prepare for the Financial Risk Manager (FRM®) professional certification and benefit from the partnership with GARP, the first professional association in the world of finance.

Develop your skills AS AN ENTREPRENEUR

ENTREPRENEURSHIP

Be an entrepreneur and start your own business!

(Reims and Rouen Campuses – in French and in English)

More than a skill or activity, we consider entrepreneurship as a true state of mind.

If you want to set up or take over a business, or if you would like project management training for any other reasons, NEOMA offers you specific modules in “entrepreneurship” and an incubator available across our three campuses.

STARTUP LAB OF NEOMA “Catch the Wave”

You are provided with a complete support structure through:

- a full-fledged integration programme
- a fully-equipped, co-working space
- holistic, individual coaching
- personalised mentoring by experienced company directors
- access to a network of alumni with expertise in specific fields
- a programme of key events
- the “Web Lab”: a web development team dedicated to developing websites and mobile applications

NEOMA Incubator supports students in transforming ideas into start-ups

On the Rouen, Reims and Paris campuses the Incubator acts as a comprehensive unit to assist students with company creations or takeovers:

- A collective, equipped work space
- Individual and collective coaching
- Personalised mentoring
- Network connections with our expert graduates
- A web development team.

+ 200 startups
launched since 2011

+ 100 projects
in incubation each year

+ 1,000 companies
created by our graduates
the last 5 years

“

Mouhammad SENE, France - MiM Graduate
M&A Analyst - KPMG Corporate Finance LLC

The Chartered Financial Analyst® designation is indeed the most respected reference in the current world of finance. It provides you with the extra tools you will need to take up highly sought-after positions in the finance market and corporate finance within the very best investment banks. ”

annual budget

500 events
organised each year

850 active students

90 societies

GET INVOLVED IN A STUDENT SOCIETY DURING YOUR STUDIES!

Close to 90 student societies run activities on each of our campuses, providing our students with a perfect opportunity to learn and to develop a sense of responsibility, as well as providing an outlet for creation and innovation. Becoming an active member of a group project allows your professional skills to really flourish.

Fully adapted to your schedule

At NEOMA Business School, we have adapted the schedule so that our students study in the morning, and have every afternoon to focus on their student society.

Put learning into practice

You are able to apply the fundamentals learned during your classes while managing the student society like any micro-company.

“

Laurent STAERK,
France
MiM Graduate

During my studies at NEOMA, I had the honour of managing the association « Junior Entreprise », which gave me my first taste of team management, an experience which remains valuable to this day. I secured my permanent employment contract a year before completing my studies and joined EY in Luxembourg, where I specialise in Banking & Capital Markets. ”

The Reims CAMPUS

Situated 10 minutes from the city centre, our Reims campus and facilities are designed to enable you to evolve in a pleasant and stimulating environment. The goal? To establish the perfect balance between study, work and daily life.

The Rouen CAMPUS

The NEOMA Business School Rouen campus is located on a 7-hectare wooded area and offers students an ideal setting.

A STIMULATING ENVIRONMENT

The Reims campus is made up of two campuses of contemporary design, connected by a 5-minute tramway ride. The sites are fully equipped for all teaching needs: interactive whiteboards, simulation rooms, stock trading rooms, language labs, student society offices, multimedia library, student life spaces, e-learning platform, remote access to the school's databases and documentary material (e-books, electronic periodicals, specialised databases, etc.)...

Close to the city centre and major transport routes:

- 10 min from Reims city centre by tramway
- 10 min from the high-speed railway stations by tramway
- 30 min from Charles de Gaulle Airport by train
- 45 min from the centre of Paris by train

Discussion, Debate, Cultural Development

Open to students and local residents alike, many events are organised on campus. These events offer the chance to participate in cultural, political, economic and social discussions and are a great way to contribute to the life of the region and its intellectual heritage.

LIFE IN REIMS

A centre of economic activity

Ideally located in both France and Europe, Reims has become a natural major industrial centre: pharmaceuticals, health care, food industry, bio-technology, wine and spirits, etc.

Proximity to Paris is an obvious appeal for business investment. And, as the home of Champagne, Reims plays host to the biggest names in the industry: Lanson, Pommery, Mumm to name a few.

Cultural Dynamism and social events

Reims has performance venues (La Comédie, la Cartonnerie, Le Manège de Reims) and nightclubs, a multitude of themed bars, improv. theatre clubs, two internationally recognised theatres, an exhibition and a conference centre, museums (Fine Arts, Automobile, Palais du Tau, etc.) and a variety of festivals are organised throughout the year.

Sport and well-being

Despite its relatively small size, Reims offers all the opportunities of a big city for sport and well-being, as well as a number of parks and green space. The campus also has its own gym and the student sports clubs are extremely active.

All the city's attractions can be found in Le Monocle, a free guide to Reims produced by NEOMA Business School students for the past 25 years!

ACCOMMODATION IN REIMS

On campus: Student housing available.

Near the campuses or the city centre, you can also find accommodation in a student hall of residence or private flat, rent a room in a youth centre, or opt to live with a senior citizen or a disabled resident.

**All our campuses are accessible
for those with disabilities.**

For more information,
please contact:
wellness@neoma-bs.fr

A STIMULATING ENVIRONMENT

The campus has first-rate teaching

equipment: stock trading rooms, student society offices, multimedia library, Student life spaces, e-learning platform, remote access to school databases and documentary material (e-books, electronic periodicals, specialised databases, etc.)

Close to city centre and major transport routes:

- 10 min from Rouen city centre by bus
- 15 min from the train station by bus
- 1h 15 min from Paris by train or car
- 1 hr. from the Normandy coast by train or car

A lively place to meet and interact with people

Various open events are held on campus each day that contribute to the intellectual life of NEOMA Business School and the region's cultural life.

LIFE IN ROUEN

Living and studying in Rouen means living in a city with a rich history and heritage yet still resolutely focused on the future. Lying between the river and the hills and tucked away in a bend of the Seine, Rouen benefits from an exceptional natural environment.

Rouen, city of art and history

Labelled "city of art and history" and capital of Normandy, Rouen is known as "the city of 100 spires" and attracts tourists from all around the world. The city is strongly associated with such renowned figures as Joan of Arc, Corneille, Hugo, Flaubert, Maupassant, Monet, Lichtenstein and Duchamp...

Thriving economic and urban life

With its population of 400,000 and location at the heart of the Le Havre-Rouen-Paris transport route, Rouen is the region's true economic power house and a vibrant metropolitan area. Some of the urban and economic development projects that make Rouen so attractive include the renewal of the docks and the riverfront and the transformation of industrial estates into service, commercial and leisure areas.

A rich cultural life

Rouen enjoys a vibrant cultural, sports and student life. With an array of exhibitions, concerts, festivals, shows, theatres, an opera, libraries, trade fairs, world and popular music, contemporary dance, cafés... there is something for everyone in the city. Rouen also makes the headlines every four years when it plays host to the «Armada de la Liberté» and its 6 million visitors.

All the city's attractions can be found in Le Viking, the Rouen guide produced by students from NEOMA Business School.

ACCOMMODATION IN ROUEN

Rouen offers numerous housing options in the city centre (rooms, studios, flats, etc.), where 90% of students live. Rent is around €250 per month for a 25 m2 flat (including housing benefits). Accommodation costs can be reduced as students often choose to live in flat shares.

**NEOMA Business School
has its own
accommodation platform
to assist you with:**

- Finding/posting an offer of accommodation
- Finding flatmate(s) and organising flat shares
- Finding/posting an offer of sublets
- Finding/posting an offer of temporary rooms

<http://housing-platform.neoma-bs.fr>

Study in English WHILE EXPERIENCING LIFE IN FRANCE

WHY STUDY IN FRANCE?

The Master in Management is well known for its **academic excellence**. Studying in France gives you the opportunity to learn the language and gain a **different cultural mindset**.

To future employers, it is the proof that you know how to get out of your comfort zone and have the **flexibility to adapt** to new environments and cultures.

Moreover, France has a lot to offer:

- France has the world's fifth-largest economy. Its gross domestic product ranks second in Europe and the country is Europe's second-largest market, with 66 million consumers, an advantageous environment for young, innovative entrepreneurs.
- France is home to **leading international corporations**: Airbus, Total, LVMH, L'Oréal Paris, Sanofi, Axa...
- With 274 million speakers, French is spoken on all **5 continents**.

- As one of the oldest nations in Europe, France is also a country with a **rich cultural and environmental heritage**. Thanks to our campuses located at the heart of history, culture, and gastronomy, our students can get the full **French experience**.
- The French system of higher education offers excellent programmes at all levels, with more and more programmes being taught in French and in English. Over 310 000 non-French students already came to study in France, so **why not you?**

Financing your studies

At NEOMA Business School, we are aware that funding education is a primary concern for our students.

For this reason we do all we can to help each of you develop on a top-quality programme of studies by offering you solutions adapted to your personal situation.

The staff at our information and service centre, the HUB, can provide you with information and assist you with your administrative needs. State grants, loans, academic scholarships... there are many solutions that can help you achieve all your professional ambitions!

SCHOLARSHIPS/GRANTS

The Excellence scholarship

NEOMA Business School offers scholarships in order to support international candidates who have been admitted onto one of its Masters programmes.

Based on criteria such as academic excellence, personal and professional achievements, students may obtain a scholarship amounting up to €2,500 according to the programme.

The number of scholarships is limited and act as reductions in tuition fees. Once admitted in the programme, the international candidates are invited to contact our Admissions Department: admissions@neoma-bs.fr

The Eiffel scholarship

The Eiffel scholarship (bourse Eiffel) is granted by the French Ministry of Foreign Affairs to international students who live outside France and who show great interest in studying in France.

NEOMA Business School Foundation scholarships

Our Foundation supports equal opportunities in higher education. If you encounter financial difficulties, the foundation may award you an academic scholarship that can cover up to 50% of your tuition fees.

Interest-free unsecured loans can also be awarded to students in Advanced Masters and Masters of Science programmes. Student applications for financial assistance are assessed at two annual meetings, based on three criteria:

- Academic excellence
- Financial or family circumstances
- The candidate's personal merit

Admissions

NOW EMBARK ON A TRANSFORMATIONAL JOURNEY!

ADMISSIONS REQUIREMENTS

- Open to holders of a three year Bachelor's Degree from international Institution where at least two of these years were spent outside France
