## Program Overview 课程简介:

### Legal Learning From Home

Virtual Intensive Law & Trial immerses you in the theory and practice of law and can help you develop your roadmap for becoming a lawyer. This program's exciting curriculum provides critical insights into the legal profession and complements the exposure you'll receive to the practice of law, legal rhetoric, and ethics from preeminent legal professionals, including Stanford Law School professors.

### Virtual Trial Experience

Your Virtual Intensive Law & Trial experience culminates with a mock trial simulation—you and your peers arguing a case from start to finish in a virtual courtroom. Here, you'll put into action the knowledge and skills you've gained throughout the program, such as delivering effective oral arguments, the rules of evidence, directly examining and cross-examining witnesses, making appropriate objections, managing a courtroom and more.

## Hear from Experts 法律专业课程

At this highly interactive program, you'll hear from subject-matter experts and preeminent legal professionals, including Stanford Law School professors, while immersing yourself in the theory and practice of law. Topics will cover court trial procedure as below

- Opening Arguments
- Direct Examination
- Cross Examination
- Evidence and Testimony
- Closing Arguments

## Mock Trial 模拟法庭

You'll apply everything you've learned in a true-to-life simulation endorsed by the American Mock Trial Association. During this activity, you'll work in groups to participate in a virtual court case. Participants will assume roles of witnesses, prosecution, or defense, and learn about:

- Delivering effective opening statements and closing arguments
- Forming your case argument based on evidence and preparing witnesses for cross-examination
- Putting skills in legal rhetoric, ethics, rules of evidence, and more into practice

## Learn from Top Legal Professionals 收获

- Develop important leadership skills, including public speaking, team building, and conflict management.
- Work in groups with other students, virtually, making connections and building self-assurance.
- Gain exposure to the practice of law, legal rhetoric, and ethics from preeminent legal professionals, including Stanford Law School professors.

\*Lectures and workshops will take place Monday–Friday of the program in the morning. Workload is about 5 hours a day, starting with Stanford Law School (SLS) Lecture and followed by Advisor instruction time.
